

FC-172

Floor cleaner

DESCRIPTION

FC-172 is a heavy-duty liquid cleaner with a wide range of uses. It is especially effective for concrete surfaces, where a relatively safe yet thorough and penetrating compound is needed. **FC-172** is a clear, blue liquid with a mild, citrus odor and low foam characteristics.

FEATURES / BENEFITS

- Especially effective for concrete surfaces
- Relatively safe, yet thorough and penetrating compound
- Pleasant, milk, citrus odor
- Low foaming characteristics

FC-172 is safe to use on concrete, iron, magnesium, steel, stainless steel, aluminum, galvanize, tin, zinc, brass and copper. It is also safe on neoprene, nylon, plastic and rubber. **FC-172** is considered safe on paint when used in solutions more dilute than 1:25. The safest use concentration depends upon the quality of the paint.
